

Champion

Women's Collection

Update your look this spring, with the newly launched women's collection inspired by one of the largest sport brands and most recognized names in the world.

The new collection pops, with sport inspired designs in vibrant colours, made from luxurious handmade acetates with frame front laminated colour block detail.

Signature logo, from way back when, pulled from the Champion archives adds a special touch, while qualitative details include, the new engraved curve temple and stainless spring hinge system.

On-trend shapes, in stainless steel, with colour enameled options, adds glamour and flare to the metal collection. The signature, cursive C logo wrapped around the new engraved curve temple provides a decorative touch. There's an array of size and shape options, sure to satisfy everyone's unique look.
