Nova Scotia	None				
Newfoundland and Labrador	None				
Prince Edward Island	Full	Kindergarten	In most cases the optometrist can bill the patient's private insurance and the co-payment from Health PEI directly. In rare cases the patient pays upfront and submits to private insurance and for co-payment from Health PEI. If the patient doesn't have private insurance, Health PEI will cover the cost of the exam and the patient does not need to pay.	YES fully funded
