BCDO CE Webinar: The Space In Between Exposing the Gaps in the Knowledge of Dry Eye Disease

BC Doctors of Optometry invites you to join us for a free CE webinar presented by Dr. Richard Adler. Dr. Adler will present his course, “The Space In Between Exposing the Gaps in the Knowledge of Dry Eye Disease.”

Course Description: Dr. Adler will discuss Dry Eye Disease not from the perspective of what is known, but from the perspective of what is not. This course will focus on broad concepts surrounding the definition, algorithm, and treatment strategies, and attempt to demonstrate that even the most widely held assumptions about this disease can be questioned. The course will also explore the growing interest in using intense pulsed light-based therapies in the treatment of DED by evaluating its physiological basis and treatment protocols.

Date: Thursday, June 11, 2020

Time: 4:00 PM PST

Platform: Zoom

CE Credit: 1 COPE CE Credit (COPE: 67864-AS)

You will need to register in advance for this webinar to receive login details. After registering, you will receive a confirmation email containing information to join the webinar.
